The values of the alternative items are not included in the quotation amount.

Different order quantities might have impact on pricing and need to be reviewed.  
The indicated lead times will be reviewed and reconfirmed with our Order Acknowledgement after PO is received.

Price units (PU): 1 = 1 pc. / 3 = 100 pcs. / 4 = 1.000 pcs.

From now on we will charge a surcharge of 3.5% on all steel and 6% on stainless-steel products and a surcharge of 18,5% on all brass/aluminum/copper products. Material costs are constantly monitored from our side. The surcharge will of course be adjusted in case of decreasing/increasing material prices.

**Due to the current situation on the global raw material market, we reserve the right to revise lead times and material prices without prior notice. The validity of this quotation does not include quoted prices and lead time. Lead time and prices are indicative only-**
