The values of the alternative items are not included in the quotation amount.

Different order quantities might have impact on pricing and need to be reviewed.
 The indicated lead times will be reviewed and reconfirmed with our Order Acknowledgement after PO is received.

Price units (PU): 1 = 1 pc. / 3 = 100 pcs. / 4 = 1.000 pcs.

From now on we will charge a surcharge of 3.5% on all steel and 6% on stainless-steel products and a surcharge of 18,5% on all brass/aluminum/copper products. Material costs are constantly monitored from our side. The surcharge will of course be adjusted in case of decreasing/increasing material prices.

Due to the current situation on the global raw material market, we reserve the right to revise lead times and material prices without prior notice. The validity of this quotation does not include quoted prices and lead time. Lead time and prices are indicative only-

Digital Product Pass – Expansion:

In addition to our E Series Manifolds, the product groups Monoflanges, VariAS-Blocks as well as the Double Block & Bleed Piping Ball Valves are now also marked with a unique QR-code acc. DIN SPEC 91406 (IEC 61406).

Scan the QR code on your valve/manifold or enter your individual serial number at **www.qr4v.de** and you will get immediate access to technically relevant product information and documents.
